E. Shane King

SURVEY MANAGER, OKLAHOMA

Mr. King has more than 24 years of professional experience providing surveying and mapping services including 19 years as a licensed Professional Land Surveyor and 5 years with the ODOT Survey Division's Ada field office. Mr. King is also a Certified Federal Surveyor (CFedS).

Mr. King has worked with Oklahoma clients including the Oklahoma Department of Transportation (ODOT), Chickasaw Nation, Oklahoma Aeronautics Commission, Oklahoma Tourism and Recreation Department, Silver Star Construction, Manhattan Construction, City of Oklahoma City, City of Norman, City of Moore, Gaming Capital Group, Och-Ziff Real Estate, and Survey Energy Corporation.

His experience includes design survey for transportation as well as commercial site projects. Mr. King's transportation projects include bridges, drainage studies, construction staking, utility location and relocation, highways, turnpikes, city streets, and county roads.
